Alicat Advanced Keyword Searching Example

Enter in the ALICAT search box or use the drop-down "Keyword" search to find books on your topic. Use the Advanced Search to narrow your topic. Some examples:

1. Enter term "school choice"

   Search in AlicatPLUS for: school choice

   Use * marked items in drop-down menu for Alicat field searching (e.g. author, title).

   Don't forget to check out our eReference Books and eBrary Collection

2. Narrow search results, click Advanced Search

3. Add second term "law"

4. Fewer, more pointed results. Books & eBooks
