USING DATABASES

FINDING & SELECTING AN ARTICLE DATABASE

- Go to libraries.adelphi.edu > in Search Box click on Article Databases
- Search 3 ways: General Databases, Browse Databases A-Z, & Select a Subject:

USE "GENERAL DATABASES"
- When starting out on a topic and you have no specific author, study, term
  - Academic Search Complete
  - ProQuest Research Library

USE "BROWSE DATABASES A-Z" TO SEARCH FOR DATABASES BY NAME

USE "SELECT A SUBJECT" TO CHOOSE BY YOUR FIELD
- Once you select a subject there are a many librarian suggested databases for your field.
  - Need help deciding? Contact the librarian for your field of study: http://libraries.adelphi.edu/contacts/liaisons.php

Need help? Ask a Librarian at the Reference Desk (516-877-3574)
